Visit all these Magnificent Hawaiian Islands in just One Vacation!

Oahu: *Where the air is saturated with the scent of gardenias and jasmine! Oahu contrasts the cosmopolitan city of Honolulu, alive with big-city sophistication, and the wild tropical beauty of the tropics. Oahu's north shore boasts the largest waves and best surfing on earth.*

Hawaii: *The sun-blessed Kona coast on the Big Island stretches 80 miles along macadamia nut orchards, famous coffee plantations and some of the most important sites in Hawaiian history. Active volcanoes flow continuously on the primordial landscape. Black sand beaches make for exotic photographs. While in Hilo explore Hawaii Volcanoes National Park and don't miss Rainbow Falls and Lili'uokalani Gardens.*

Maui: *Step ashore to white sandy beaches, swaying palms and charming shops and restaurants. Historical towns and serene resorts offer great places to relax after driving the road to Hana – a scenic route along the shore's edge of the island that directs you along high cliffs and through exotic rainforests. Be sure to consider a bike ride or hike on the massive volcano crest of Haleakala Crater above the clouds.*

Kauai: *Verdant and lush, it is no wonder that this is considered the sacred "Garden Island". Many consider Kauai, the garden isle, to be the most relaxing of the Hawaiian islands. A visit to the Fern Grotto or the botanical gardens may help you to see why!*

Only by ship can one see so much of Hawaii!
